

Cassia County 4-H Livestock Story or Report Guidelines

4-H Livestock projects in Cassia County are required to complete either a 4-H story or a research report. These are to be turned in with the livestock record books. Story or Research papers can be typed in Word and then printed out and put in where the story or research page should go.

Online record book link <https://4h.zsuite.org/>

4-H Story — Juniors Project Focused

- Submit a one-page, double spaced story about their livestock project that year
- The story may be typed

4-H Livestock Research Report — Intermediates and Seniors

- Submit a minimum of one-page, double spaced research report related to their livestock project that year
- The research report may be typed
- At least **two (2)** sources must be sited
- Each year the 4-H member will need to pick a new research topic

These guidelines are to be followed for the Cassia County Livestock Project.
