## Dog Project Requirements

1. Dog must be owned by 4-H member or his/her immediate family for at least 90 days before the Cassia County Fair.
2. 4-H members may show a "leased" dog if member provides the primary care of the dog and if approved by the dog superintendent. If dog does not live in youth's home, permission to do project must be obtained from superintendent.
3. Any dog, (due to temperament or size in relation to the size and handling skill of the member) that cannot be adequately controlled may be dismissed by the dog superintendent or Judge.
4. In extenuating circumstances (such as dog dying just before fair), a project could be deemed complete by the dog superintendent/4-H Office without the member participating in the fair dog show. However, a completed record book must be turned in. At that point, the 4-H member is eligible to apply for the Cassia County Hard Luck Award.
5. Train and show dog in Obedience and/or Fitting and Showing at the Fair Dog Show. (Agility is optional)
6. Dog Fighting: In an attempt to minimize dog fighting we will assign each participant a marked waiting bay. While the dogs are not in the show ring, the dog and handler will be required to be in their assigned bay. Participants are encouraged but not required to bring a kennel to put their dog in while they are waiting as this helps further ensure that your dog does not get into an altercation.
7. Dogs are to be removed from the fairgrounds immediately after the show.
8. Competition requirements:
  - A. Good sportsmanship will be required of members at all times. In any circumstance, (competition or incident) if a member is exhibiting poor sportsmanship, whether it is in their attitude toward another exhibitor or in mistreatment of their dog, their project will be terminated immediately. Poor sportsmanship and mistreatment will be determined by the dog superintendent or Judge.
  - B. Agility:
    1. Agility will be run first. The dogs will be less tired and they can run off a little energy before the rest of the show. Set up for agility takes time. In an effort to speed up this process, dog measurements will be verified by a leader and included in the record book. Participants order will be determined by dog size prior to the actual show because some obstacles must be raised or lowered depending on the height of the dog.
    2. Loss of time for "attempted": 10 second penalty for an attempt  
Attempt: means tried but not perfectly completed. For example, if the dog attempted the weave poles but skipped a pole or entered from the wrong side of the poles but elected to keep going on to the next obstacle rather than come back and try to do it correctly from the start of the obstacle, they will be assessed a 10 second penalty. Other examples could include leaving the pause table to early or knocking down a pole when going over the ramp.
    3. Loss of time for a skip: 30 second penalty if the object is skipped  
Skip: means the object was not tried at all or was not completed. For example, if a dog falls off the walking bridge early on and the handler just continues to the next obstacle without putting the dog back up on the bridge and completing the obstacle, that constitutes a skip. Another example could be if the dog goes in the tunnel but comes back out the entrance and the handler takes the dog to the next obstacle, that constitutes a skip. A skip is a bigger infraction than an attempt and will be left to the judges discretion
  - C. Agility will be run on a short lead no longer than 12 inches in length. This will help ensure the safety of the dogs because a long leash can get tangled in the obstacle which could cause the dog to choke or stumble. A short lead will give the handler the means to keep the dog on the course. In an effort to make our program better and align it with actual agility standards, participants are encouraged to practice and train the dogs off lead so they can run the course without a lead. Using a lead or not in the competition will be left to the discretion of the handler and leaders.
9. Dress will follow the regulations in the Cassia County 4-H/FFA Rules & Regulations Handbook.
10. There will be no baiting of any type at the Cassia County Fair 4-H Dog Show.
11. Cloverbuds must be enrolled in a dog group and attend dog meetings. According to policy and procedure, Cloverbud members may be involved in lap animal projects. This is defined as small dogs that weigh less than the member.
12. Advancement: Any member whose dog scores 170 or more with more than 50% in every exercise at the Fair dog show, will advance to the next level of competition in the following fair year.

16. **NO** 4-H record books or exhibits may be removed from the 4-H building before Sunday, following fair. The building will be open Sunday, following fair from 7:30 AM - 1 PM, and Monday, following fair from 8:30 AM - Noon for exhibit pick-up.
17. All club booths in the 4-H building, whether they are judged or not, **MUST** have their club number and name clearly displayed. Clubs with booths in the building have the option as to whether or not their booth will be judged. **CLUB BOOTHS MUST BE DECORATED WITHIN THE TIME ALLOTMENT.**
18. Club volunteers must organize their booth after judging. See schedule for times.
19. All clubs **MUST** dismantle their booths no later than noon on Monday after fair. Any club that does not remove all signs of their display will be charged a \$35 clean-up fee. **All nails, thumbtacks, and staples must be removed.**

#### **Clothing:**

1. All clothing exhibits will follow state or county requirement sheets.

#### **Sewing Showcase:**

1. The Sewing Showcase will be held July 29, 2025. Categories will include: wearable; leatherwork, crochet, knitting, sewing, etc. and non-wearable; quilts, knitting, crochet and other. Youth participating in the Sewing Showcase need to have narrations into the office by July 22, 2025.

#### **Foods:**

1. All food exhibits will follow state or county requirement sheets.
2. All food exhibits must come in a clear closed container. The judge can sample the extra piece and avoid "dismantling" the 4-Her's display.
3. If a large baked item is entered for judging (such as cake, or a loaf of bread), a small representative portion of the item may be left for display after the judging is completed and the remainder taken home. The whole project does need to be entered, but does not need to be left for display. Exception: decorated cakes and cupcakes.
4. The recipe for food exhibit must be attached on the food exhibit, regardless if it's printed in the project book. (Unless it is a cake/cupcake project.) Do not attach to the bottom of container.
5. Perishable project exhibits should be entered between 4:00-7:00 PM on Friday or 7:00-8:00 AM on Saturday, with the project books entered on Friday 4:00-7:00 PM.

## 4-H Family Consumer Science/Miscellaneous Fair Rules

Dena Jarolimek, Cassia County 4-H Program Coordinator  
4-H Office Hours: Monday - Friday 10 AM - 5 PM  
4-H Office closed on Saturday due to the Market Animal Sale

## General:

1. All members must be enrolled in Zsuites and have paid the \$10 Membership fee; \$15 Admin fee; \$10 Clovebud; and project material fees before youth start projects or are eligible to enter projects or participate in activities at the Cassia County Fair.
2. The 4-H age is the age of the individual on January 1 of the current 4-H year (which runs from October 1 to September 30). Cloverbuds: 5-7 years old; Junior: 8-10 years old; Intermediate 11-13 years old; Senior: 14-18 years old. No one is allowed to participate unless they are a registered member of 4-H by the required time. All members will follow 4-H project requirements. An individual may continue to participate in 4-H as long they are in high school or 18 years of age at the beginning of the 4-H year. Individuals older than 18 who have special needs are eligible to participate in 4-H, provided they are still enrolled in high school special education and/or individual education programs. The Center for Disabilities Access and Resources (CDAR) must approve eligibility.
3. Where applicable, 4-H FCS/Misc. Superintendents' decisions (based on 4-H rules) will be supported by the Cassia County 4-H Youth Development Coordinator and Extension Staff.
4. A 4-Her's record book is **NOT** complete until the 4-H youth, parent and volunteer sign it. If these signatures are not on the book by closing on entry day, five points will be deducted. If signatures are not completed by 8:00 AM on Saturday, the project will not be judged.
5. **All regular 4-H projects must exhibit the modified Zsuite record book.** Ask volunteer for clarification. If project requires a skills checklists, it must come in with the record book.
6. Cloverbuds have the opportunity to exhibit the Clovebud Memory Book and/or projects.
7. All project manuals that require writing are to be turned in, however if necessary, a 4-Her may photo copy on white paper, the pages in the manual that require writing and turn them in with the record book for judging.
8. Project ID tags need to be on all 4-H items exhibited as part of the project.
9. A 4-H'er should do their own work. However, in exceptional circumstances which parents list on Zsuite, it is acceptable for someone to help. If this is done, communication with the 4-H office or explanatory note by the parent or leader **MUST** be placed inside the record book. These notes will be removed by judges and given to superintendents to destroy.
10. The use of pencils/pens will be allowed. Readable photocopied project records on white paper will be acceptable. Judges must be able to read them easily.
11. Those entering secretary books and treasurer books, **MUST** submit them on Friday, August 8th, from 4-7 PM. They are judged on Saturday. Premiums will be given.
12. Interview contest will be held Friday, August 8, 2025 for youth interested.  
**Projects that require interviews are: Self-Determined, Leadership (all units) and Know Your Government.** All other projects are voluntary. However all others are welcome and encouraged to participate.
13. All exhibits will follow current state or county requirement sheets.
14. In all FCS projects, youth may move up before they are the division age, but older youth may not move down into younger divisions. (Jr. to Int., not Int. to Jr.)
15. In some of the FCS manuals, such as bicycle and photography, it asks for leadership projects. Leadership projects are considered to be a presentation or service project.

## Schedule of Events

- The Market Animal Sale is a terminal sale for market animals. No one will be allowed to buy their animal back, it must be slaughtered, with the exception of the dairy - they will go into the dairy industry.
- All "Quality" Grand & Reserve Champion animals must sell.** All participants (except grand & reserve in quality) in quality, have the right to retain ownership and not sell their animals at the sale. If they decide not to sell, they must provide in writing the "No Sale Form" of not selling and present it to the Livestock Office, one hour after quality show.
- Sale order will be posted in the sale barn and on the board by the outdoor show ring Thursday by 6:00 PM. Volunteers, FFA Advisors, Superintendents, parents, and youth will have until Friday at Noon to find any errors and report them to the livestock office.**

### Breeding Animal Classes

- Breeding Animal Projects should be conducted in a manner that is supportive and complimentary to the market livestock program policy. The minimum period of time for ownership (or as primary care-giver) for beef, sheep & goat breeding animals fed and exhibited at a 4-H/FFA sanctioned event will be 90 days. If a breeding project animal is leased by a 4-H/FFA member, a complete written and signed copy of the lease agreement must be returned to the county extension office by the required ownership date.
- All 4-H or FFA members in the breeding animal project will show in a quality class.
- If a youth has a market animal, they must show that animal in showmanship. If a youth is showing more than one of the following species: beef, swine, sheep, turkey, goat, rabbit, or dairy, they are only allowed to show one of those species in Showmanship.
- Youth participating in the breeding animal project may only enter one animal per class per specie. However, they may have multiple breeding projects in a specie. They may also have breeding projects in more than one specie.
- Breeding Classes will be as follows:
  - Beef**
    - ~ Breeding Beef A - Heifer Calves
    - ~ Breeding Beef B - Heifers
    - ~ Breeding Beef C - Cow/Calf Pair
      - ~All bred Heifers and the cow from a cow/calf pair must show pregnant at the fair. Confirmation must be by certified vet and paperwork (vet certificate or blood test) will be shown to the superintendent at fair check-in.
  - Sheep**
    - ~ Sheep Breeding A - Ewes
    - ~ Sheep Breeding B - Rams (must be under 1 year of age)
  - Goats**
    - ~ Will be dependent on project enrollment, superintendent, & Fair Livestock Committee

### Situations

- The superintendent will make the final decision following the 4-H & FFA Livestock rules. The superintendent's decision will be supported by the 4-H Volunteer's Council, 4-H Coordinator, Extension Office and FFA Advisors where applicable.**
- If individuals do not agree with superintendents' decision, grievance can be taken before the Fair Livestock Committee. Contact a member of the Fair Livestock Committee.
- Direct criticism or interference with the judge, fair, or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their duties, respective personnel will be treated with courtesy, cooperation, and respect.
- All participants will abide by the University of Idaho Policy and Procedures. (Copy is available on the Cassia County 4-H website)

**Individuals or formally organized groups who violate the 4-H Code of Conduct, 4-H Policies and Procedures or whose conduct is deemed detrimental to the best interest of the program by extension personnel, or their appointed representatives may be subject to immediate removal without notice, and/or exclusion from future involvement.**

### Cassia County 4-H/FFA Market Animal Sale Thank You's

Thank You notes will be delivered to the Extension Office; stamped and addressed, or if doing more than a card, youth must post a picture on the Band App of **youth with the buyer** receiving thank you. Youth will not receive their checks until a thank you has been done. **Checks need to be picked up and cashed by October 1, 2025.**

### Notes

There are many worthwhile and charitable causes for raising money. However, the sole purpose of the Market Animal Sale is for the benefit of the 4-H/FFA organization and members. For this reason, there will be no other fund raising in conjunction with the Sale.

- Entries into the Round Robin will be: grand champion showman in: dairy, beef, sheep, swine, and goat.
- Awards will be given out to the beef, sheep, swine, dairy, turkey rabbit and goat at the end of the class. No award will be given where merit does not exist. Only blue ribbon projects will be considered for class trophy or top award. The top animals in each class will receive blue, red, or yellow rosettes. Grand and Reserve Champion Rosettes will be awarded to overall winners. Buckles will be awarded to Grand Quality, Grand Showmanship and Grand Breeding. White ribbon animals will not be allowed to sell.
- Volunteer assignments for help with weigh-ins, quality/showmanship shows and sale day will be made by the superintendent of each specie.

### Market Sale & Breeding Animal Requirements

- An animal may only be used once. It is either a Breeding or a Market Project. Decision must be made at weigh-in. (As per Cassia County Fair Livestock Committee Meeting Minutes on 12-13-21)
- All 4-H or FFA members who show in a Market quality class, must show that animal in showmanship to be able to sell at the Market Animal Sale.
- 4-H or FFA members will be allowed to sell only one animal/pen at the Cassia County 4-H/FFA Livestock Sale.
- No youth will be allowed to sell in more than one county livestock sale.**
- Each member must be present to sell their own animal/pen.**
- Sale order: Grand and Reserve Champions of each specie will sell first in this order: **Goat, Swine, Rabbit, Sheep, Beef, Turkey.** (The specie selling first - will move to the end of the rotation for the next year.) All blue-ribbon animals will be sold before red ribbon animals, within specie. Dairy has their own separate sale.
- Each individual participating in 4-H/FFA market animal projects must have proof of ownership (County Bill of Sale or Idaho Brand Inspection). Ownership of the project animal includes personal possession and responsibility as primary caretaker of the animal. The minimum period of time for ownership and length of feeding periods for animals fed and exhibited at fair will be: Beef - 157 days, Swine - 118 days, Dairy - 97 days, Sheep - 91 days, Goat - 69 days, Turkey - 62 days, and Rabbit - 42 days.
  - All livestock to be sold at the Market Animal Sale must be weighed in at the first weigh-in: Beef - maximum 1000 lbs.; Swine - 40 lbs. minimum, maximum of 125 lbs.; Dairy - (must be December calves of the previous year) no initial weight requirements; Sheep - no minimum or maximum; Turkey - Poults must be hatched between April 10 - May 25; Goat - 35 lbs. minimum (must be born after November 1st of the previous year); and Rabbits - Bunnies must be born after May 15.
  - Livestock must also be weighed in at the final weigh-in: Beef - minimum 1,100 lbs. with no maximum and ADG of 2.25 lbs.; Swine - minimum of 230 lbs. maximum of 330 lbs.; Dairy - no minimum weight but must meet ADG of Holsteins - 1.40, Jersey - 1.05 lbs. and Crossbred - 1.20 lbs. Sheep - minimum weight of 110 lbs. with no maximum and ADG of .40 lbs.; Goats - 60 lbs. minimum weight, maximum of 125 lbs. and ADG of .25 lbs.; Turkey - Toms: minimum of 23 lbs. and maximum of 35 lbs. and Hens: minimum of 18 lbs. and maximum of 30 lbs.; Rabbit - 4 lbs. 8 oz. to 6 lbs. 8 oz.
- Youth are only eligible to participate in one quality show with their market animal project at the Cassia County Fair. (As per Cassia County Fair Livestock meeting minutes on 10-2-23)
- No illegal drug, off label use of drugs (uses other than specifically allowed on the drug label or by veterinarian prescription), or other use of artificial means to alter the physical composition, appearance, or disposition of a project animal is permitted. Violators will be disqualified immediately from the 4-H/FFA meat animal program, will be barred from all future participation and will be subject to any and all relevant criminal prosecution, including taking all money from the youth earned at the Cassia County 4-H/FFA Market Animal Sale.
- Exhibitors will submit their animals to any inspection including drug testing for alteration by inspectors appointed by the Fair Livestock Committee. The conclusion of any inspections shall be final. By entering an animal for exhibition, each exhibitor releases all claims arising from any action by the Fair Livestock Committee under this rule. The time period for testing will be Monday AM to no later than 6:00 PM on Friday of fair week. Parents and leaders/advisors will be notified at least one hour prior to the testing so that they can be present when the animal is tested. If any shots are given to animals at the fair or just prior to the fair, members need to have written notice from treating vet (with written notice turned into office and the legal withdrawal period must be followed). All shots given to animals at the fair will be given by a licensed veterinarian and notification will be given to the livestock secretary.

## Schedule of Events

11. Fair time - All species will come in off Hiland Ave. (Trailers will enter only from the East and exit to the West.) We will unload one trailer at a time.
12. Animals demonstrating clinical signs of infectious disease, evidence of prolapse, or other conditions deemed by vet are not permitted at the fair. All animals will be inspected by a vet at fair weigh-in. (As per meeting minutes of the Cassia County Fair Board on 10-25-2022)
13. If an animal does not make weight, the animal may be taken off the scales, a balance check made on the scales, and the animal put right back on the scales. There will be no time for the animal to drink or be altered. If the animal leaves the scale area while the balance check is made, they will not be allowed to weigh again.
14. If an animal fails to meet the weigh-in requirements (weight or minimum ADG as stated on the Market Animal Agreement) they cannot show in a quality class and they will not sell. If they choose, they may show their animal in a showmanship class only. That decision must be made immediately at weigh-in time. The Cassia County Market Animal Sale Committee will not floor any extra animals. Any market animals not included in the sale have till the morning after weigh-in, or immediately after showmanship class, to be removed from the fairgrounds.
15. 4-H Market Animal Livestock Project Completion: All 4-H Market Animal Projects that do not make weight or ADG requirements are HIGHLY encouraged to participate in a showmanship class at the Cassia County Fair or other local program-approved show/exhibition to consider the project complete. Only completed projects will be considered for 4-H awards.
16. For all weigh-ins, animals need to be clean of excess dirt, mud, manure, debris, etc. with legible tags. (As per meeting minutes of the Cassia County Fair Livestock Committee Meeting on 10-2-23)

### Pens and Area Requirements

1. Pen assignments will be made prior to the fair by the superintendents and will be posted prior to weigh-in.
2. A completed 4-H or FFA stall card is required on every pen.
3. Each livestock participant is expected to care for their own animal(s) throughout the length of the fair. This includes the feeding, watering and cleanliness of pens for each animal(s). No water will be left in pens for beef and dairy animals, sheep and goat water buckets will be clipped to pens.
4. In each specie area, the superintendent or their appointee will go through and check the pens/stalls AM and PM. If pens are not clean the office will be told and it will be noted on their agreements. The youth, parents/legal guardian and leader will be contacted, and they will have 2 hours to get it taken care of.
5. The implementation of a three-strike system for youth that fail to keep their pens/stalls clean at the fair: 1st strike = warning, 2nd strike = \$100 fine and 3rd strike = disqualify youth from participating in animal project at the fair the next year. The 3rd strike will be determined by the Fair Livestock Committee.
6. It is recommended that all livestock be trimmed before bringing them to fair. Sheep/goat stands and beef trimming chutes will be allowed in areas designated by the fair board.
7. Youth are responsible for their own bedding. Only wood shavings will be allowed. **No** straw or other type of bedding will be acceptable.

### Show Ring

1. If any youth shows or sells 4-H/FFA animals in another fair in the same year, they cannot show or sell 4-H/FFA animals in the Cassia County Fair.
2. All participants will be required to wear a number matching the tag number of their animal, superintendent will designate where number is to be worn.
3. **Dress Code:** No open toed shoes. Long pants - appropriately fitted, neat, clean appearance. No sweatpants or leggings. FFA and 4-H logos, regardless of size, are allowed. No sweatshirts/hoodies. No t-shirts. No mid-riffs allowed. Sleeves may be long or short, but shoulders must be covered. Same dress code for sale ring. (As per meeting minutes of the Cassia County Fair Livestock Committee Meeting on 1-13-25)
4. No riding animals. No glitter, bows, etc. on animals.
5. A youth in the 4-H/FFA market animal project is responsible for preparing their own animal for exhibition, but may receive necessary limited assistance from other youth, volunteers or family members representing the county 4-H/FFA youth organization. (As per meeting minutes of the Cassia County Fair Livestock Committee Meeting on 10-2-23)
6. If the animal cannot be controlled during the shows, it may be dismissed from the show ring at the discretion of the superintendent or judge.
7. **The superintendent has the right to dismiss any unruly animal species or persons from the barns/show rings. A dismissal results in No Sale.**

# 2025 Market - Breeding Animal Project Rules

## Introduction

The mission of 4-H is to assist youth in acquiring knowledge, developing life skills and forming attitudes that will enable them to become self-directing, productive members of society. To this end the Cassia County 4-H Market Animal project strives to help 4-H members:

- ~ Develop the six pillars of character (trustworthiness, respect, responsibility, fairness, caring and citizenship) and become involved in community service.
- ~ Develop written communication skills via construction of record books and personal essays.
- ~ Learn to identify, achieve and evaluate personal goals.
- ~ Learn financial principles relevant to the project animal (inventory, expenses, income).

## Commitment to Excellence

- ~ I believe that participation in the Cassia County Youth Livestock Program should demonstrate my own knowledge, ability and skill as a feeder and exhibitor of livestock.
- ~ I will not use abusive, fraudulent, illegal, deceptive, or questionable practices in the feeding, fitting or showing of my animal(s), nor will I allow my parents, my supervisor, or any other individual to employ such practices with my animal(s).
- ~ I will read, understand and follow the rules without exception, of all livestock shows in which I am a participant and ask that my parents and the supervisor of my project do the same.
- ~ I wish for my livestock project to be an example of how to accept what life has to offer, both good and bad, and how to live with the outcome.
- ~ I realize that I am responsible for the proper care and safe humane treatment of my animals, the production of high quality, safe and wholesome food and demonstrating strong moral character as an example to others.
- ~ I consent to having my animal(s) subjected to drug testing.

## Membership

1. To be eligible to participate all 4-Hers must have paid the annual \$10.00 member fee and \$15.00 admin fee. No one is allowed to participate unless they are a registered member of 4-H/FFA by the required time. All members will follow 4-H or FFA project requirements. An individual may continue to participate in 4-H as long as they are in high school or 18 years of age as of January 1st of the current year.
2. Cloverbud, youth ages 5-7 as of Jan. 1 of current year, animal project options for Cassia County Fair are the following: Rabbit, Dog, Sheep, and Goat. **For dogs, sheep, and goat the animal must weigh less than the youth.** Cloverbud animal project record books are due when all livestock books are due to the 4-H office. Please check with the species superintendent to know if Cloverbud animals can be housed at the fair. All cloverbud projects are to be removed from the fairgrounds by 6:00 a.m. Saturday morning.
3. Anyone selling in the 4-H/FFA Market Animal Sale must be a resident of the City of Burley or Cassia County during the length of the project (weigh-in through fair) or attend school in Cassia County. An individual may continue to participate in 4-H as long as they are in high school or 18 years of age as of January 1st, of current year.
4. All exhibitors (and parents/legal guardian) participating in the Market Animal Sale are required to read and sign the Cassia County Market Animal Agreement by specified specie deadlines. It is strongly recommended that participants meet as a club prior to weigh-in and review the Market Animal Sale Agreement and Animal Project Rules. (Signature on agreement acknowledges that these have been read.)
5. All exhibitors (and parents/legal guardians) participating in the Breeding Animal Project are required to read and sign the Cassia County Breeding Animal Project Ethics Agreement Form and fill out completely a Permanent Individual Animal Record for each animal.
6. Ages (as of January 1, 2025) for Showmanship classes are as follow: Juniors 8 - 10, Intermediates 11 - 13, Seniors 14 - 18 and FFA.
7. Individuals older than 18 who have special needs are eligible to participate in 4-H, provided they are still enrolled in high school special education and/or individual educational programs. The Center for Disabilities Access and Resources (CDAR) must approve eligibility.

## Attendance

1. All 4-H members who show and sell at the fair **must attend 6 meetings** with the livestock club in which they are enrolled and have given **one presentation/demonstration**.
2. Your club community based service project may count as a meeting if approved by the club organizational volunteer.

## Record Book

1. All 4-H youth will use the "ZSuite" Record Books and all FFA youth will use assigned FFA Record Books (see Advisor). A copy of the Market Animal Agreement and Cassia County Bill or Sale or Idaho Brand Inspection (for beef & dairy) must be included in your record book.
2. 4-H youth can use a combined Market/Breeding record book if showing the same specie. However, they must put a Permanent Individual Animal Record for each breeding animal they have. All animals must be included in Expense, Income & Health Record if applicable.
3. All 4-H and FFA livestock completed record books must be turned in at the Cassia County Extension office by 4:00 PM, **July 30, 2025**. (Books turned in between 4 & 5 PM will receive a red ribbon with 2 points deducted for every 10 minutes late after 4. **No record book - no sale.** Absolutely no record books accepted after 5:00 PM. **Service project and livestock lessons must be included in record book activity log. 4-H/FFA members who receive a white ribbon on record book will not be allowed to sell or participate in quality or showmanship classes.**
4. A 4 X 6 colored picture (must be on photo paper or laser printed) of youth & animal mounted on the "Buyers Support" poster (available at 4-H Office) will be turned in with record book. (For pictures: animals must be clean & youth must be dressed in "show ring" attire.) If an acceptable picture is not turned in, the youth will have 24 hours to turn one in.
5. Copy of palpation verification and bangs vaccination receipt will be turned in with all dairy project record books.
6. Top 4-H livestock record books for each specie, will be displayed in the 4-H building. Top record books will remain in the 4-H building until Sunday morning. All other record books may be picked up in the 4-H building at the conclusion of the showmanship shows for that species. All books not picked up by noon on the Monday after fair will be thrown away.
7. All turkey youth, including FFA, will be required to turn in a tri-fold with record book. Display with three sections; left side about youth, center about project, and right side on the topic approved by the superintendent. (Tri-fold size: 40 X 28, no larger)
8. All tri-folds/posters must be picked up by noon on the Monday after fair. If not picked up they will be thrown away.

## Weigh-in/Ear tags

1. **All 4-H & FFA market animal participants & parents should be present at both official weigh-ins of their animal unless pre-approved with the office (4-H youth only), or advisor (FFA only) and species superintendent. Agreements must be signed by parent/legal guardian and youth by specified deadlines.**
2. **Cassia County Bill of Sale or Idaho Brand Inspection (beef & dairy) will be turned in by specified specie deadlines.**
3. Participants may weigh-in more than one species of market animal project at the first weigh-in. However, they must choose only one specie to weigh-in for their market animal project at Fair time.
4. If a youth has a market animal, they must show that animal in Showmanship. If a youth is showing more than one species (excluding equine) they are only allowed to show one of those species in showmanship.
5. All market livestock must be ear tagged (turkeys will be wing banded & rabbits ear tagged) at initial weigh-in. Those animals to be sold will be identified at the fair weigh-in by this ear tag or wing band. The only ear tags permitted will be the 4-H/FFA ear tags from the Extension Office, the USDA scrapie tag (used in sheep & goats) and the breeding registry tags in dairy heifers.
6. Youth may only have access to a maximum of 2 animals per specie. Youth may have two designated animals or share a family spare.
7. All sheep & goat projects will be required to have a scrapie tag in place at first weigh-in.
8. All Dairy Heifer Projects are required to have a legible bangs tattoo by final weigh-in. All heifers will be inspected at beginning weigh-in, and youth will be notified if they are good or must have one put in place by final weigh-in.
9. All goats must be dehorned, or horns tipped. (It is highly recommended to have goats dehorned)
10. Lost tag - If an animal loses its ear tag; the county extension office must be notified immediately. If the office is not notified, the youth will not be allowed to weigh-in and participate at the fair.
