Join us for a two-night, hands-on class to learn how to smoke and grill foods.

You will learn:

- Factors affecting flavor, tenderness and juiciness
- Food safety
- Meat cuts and recommended cooking methods
- Smoking vs. grilling
- Brisket Demonstration

You will consume your registration fee in deliciously smoked cheeses, snacks, various grilled and smoked meats.

Space is limited and pre-registration is required. Register by June 10, 2025
