LATAH COUNTY 4-H NEWSLETTER

"To Make the Best Better"

LATAH COUNTY 4-H OFFICE

Happy Fourth of July! In June Madi and Kenzie started our summer programs, and then we spent last week on campus for STAC. Our 4-H teens are outstanding and amaze me every year with their kindness and positive attitude! Unfortunately, I somehow injured my knee right before STAC, so I'm moving a little slower than usual and am a little restricted in what I can do. This month I will be out of the office July 12-15 for camp and 22-23 for an Extension meeting. Also, the office will be closed July 4. If you have any questions, please email myself at jvanburen@uidaho.edu or the office at latah@uidaho.edu!

Program Information:

In 4-H, we believe in the power of young people. We see that every child has valuable strengths and real influence to improve the world around us. We are America's largest youth development organization — empowering nearly six million young people across the U.S. with the skills to lead for a lifetime.

Summer programs are open to all youth in the county (and outside the county) — enrollment in 4-H is not a requirement. Activities were developed for 3rd to 5th graders, but all are welcome!

Adults are encouraged, if possible, to assist with the program. Teens interested in helping teach the programs are also highly encouraged to attend!

Summer programs are being offered at no cost to participants but often have limited space and supplies. Please RSVP at the link below to reserve your seat.

YOUTH LIVESTOCK 4-H WEIGH-INS

Sheep/Goat: July 8 4:00-6:00pm, Latah Fairgrounds

Showmanship Clinic & Practice Show at 6:00pm. All sheep and goat projects are welcome to come learn from the clinicians!

Market animal projects must have their animal (and floater) weighed and tagged at these events. All sheep and goats need to have a **Scrapies tag** from their breeder. If the breeder you purchase the sheep or goat from does not have tags, please contact the Extension office.

Martin Dibble will be present to shear sheep, and the Lewiston Vet Clinic will be on hand to administer vaccines. Please bring cash!

According to the ISDA, animals being imported from out of state will need a **Certificate of Veterinary Inspection** (CVI; Health Inspection) to cross state lines. *An Idaho State Department of Agriculture Inspector has expressed that they will be present at the initial weigh ins to check for CVI/Health Certificates for out of state purchased animals. Be prepared to produce these documents.*

WEIGHT CHECK IN

July 8, 6:00-7:00pm, Latah Fairgrounds

Any youth in 4-H or FFA that would like to check the weight of their swine or beef animal are welcome to join us on Monday. The scales will be open following sheep/goat weigh in from 6pm-7pm. This will determine weight gained and weight still needed for fair!

Also, any record books that include a growth chart this year will receive 2 bonus points! Get tracking!

RECORD BOOKS

THE BASICS

- ZSuite is Idaho's statewide 4-H record book system.
- Record books should be mostly typed, but will likely include handwritten sections (i.e. stories).
- The 4-H Story is about the total experience, so members may write one story to cover all projects for the year. Include a copy in each record book.
- Record books must be signed to be "complete".
- Write N/A in any fields that do not apply.
- All project record books include an Involvement Report and may have additional inserts (i.e. Animal Science Skills Checklist, Producer Affidavit).
- Remember: what you turn in is how you will be judged.
