AGIT group introduction

Existing Projects

- Synapsis – Brian Borchers
 - Tool for IPO to track international students and employees
 - Moving forward now
 - Indiana people are supposed to be coming in September to roll this out
 - Group discussion on process
- Go Sign Me UP – Brian Borchers
 - Tool for PDL to track sign up and attendance for compliance related training.
 - Brian took over the project manager role on this
 - Met two weeks ago w/Kent Nelson to discuss compliance
 - Slated to roll out by 9/25/2014
 - This ties into Blackboard system (eventually)
 - This does not take the place of EHS NetLearning

Introduction to AGIT Process for new members

New Projects

- Library
 - Resource sharing across 37 libraries
 - Student bar code information (CBORD – vandal cards)

FFF Outcomes

- Will get information to group

- Recommendation
 - Consolidation of technology resources and services including purchasing of technology equipment.

Next meeting will cover FFF Outcomes
