Tax Transcript Request from IRS

Tax filers can request a transcript of their tax return free of charge from the IRS in one of three ways. Please be sure to keep a copy of your transcript for your records.

1. Online Request

- Available for FREE on the IRS Web site at www.irs.gov
 - We suggest using Internet Explorer on PC or Google Chrome on Apple, and make sure to turn off pop-up blockers. If you are unable to make it work, please try a different browser.
- In the **Tools** section of the homepage click “Get Transcript of Your Tax Records”
- Choose to receive the Transcript Online or by Mail – Online is faster; we will accept either one.
- Follow the instructions to order a **2013 Tax Return Transcript**. If you are receiving the transcript online, you may need to make an account on the IRS website.
- IRS Tax Return Transcripts requested online cannot be sent directly to a third party by the IRS. If receiving the online copy, you will need to save and email it to us in addition to any requested forms, or print and send it by fax or mail.

2. Telephone Request

- Available from the IRS by calling 1-800-908-9946
- Tax filers must follow prompts to enter their social security number and the numbers in their street address. Generally this will be numbers of the street address that was listed on the latest tax return filed. However, if an address change has been completed through the US Postal Service, the IRS may have the updated address on file.
- Select “**Option 2**” to request an IRS Tax Return Transcript and then enter correct year.
- If successfully validated, tax filers can expect to receive a paper IRS Tax Return Transcript at the address that was used in their telephone request, within 5 to 10 days from the time the IRS receives the request.
- IRS Tax Return Transcripts requested by telephone cannot be sent directly to a third party by the IRS.

3. Paper Request Form – IRS Form 4506T-EZ

- IRS Form 4506T-EZ should be used instead of IRS Form 4506-T because it is sufficient to request an IRS Tax Return Transcript.
- Download at <http://www.irs.gov/pub/irs-pdf/f4506tez.pdf>
- Complete lines 1 – 4, following the instructions on page 2 of the form. Note that line 3 should be the most current address as filed with the IRS. It is the address where the IRS Tax Return Transcript will be sent. If the address has recently changed, include the address listed on the latest tax return filed on Line 4. However, if an address change has been completed through the US Postal Service, the IRS may have the updated address on file.
- Line 5 provides tax filers with the option to have their IRS Tax Return Transcript mailed directly to a third party by the IRS. Please do not use this option, as we may have difficulty matching an incoming IRS Tax Return Transcript to the student aid applicant.
- On line 6, enter correct year to receive IRS tax information for the year that is required for the FAFSA.
- The tax filers (or spouse if requesting information from a joint tax return) must sign and date the form and enter their telephone number. Only one signature is required to request a transcript for a joint return.
- Mail or fax the completed IRS Form 4506T-EZ to the appropriate address (or FAX number) provided on page 2 of Form 4506T-EZ.
- Tax filers can expect to receive their transcript within 5 to 10 days from the time the IRS receives and processes their signed request. NOTE: Processing form 4506T-EZ means verifying/validating the information provided on the form. If any information does not match the IRS records, the IRS will notify the tax filer that it was not able to provide the transcript.
