Class Descriptions

**Absolute Abs:** This class focuses on core strength and lower body toning. The instructor also incorporates exercises for the lower back to maintain muscle balance.

**Body Bootcamp:** is a whole body workout. Using body weight, bands, ropes, sandbells, and much more. Your whole body will be worked from top to bottom...let the sweat begin.

**Chisel & Sculpt:** This class will use light hand weights & basic body toning moves to help you stay toned & healthy. This class will focus on functional moves, core strength & balance along with range of motion.

**Cycling:** Endurance rides, hill climbing and flats, you will experience exhilarating indoor rides that take you through all types of terrains & intensity levels.

**Gravity:** Dynamic workout on the GTS, designed to provide group strength training that can be individualized to each participant's fitness levels - without sacrificing technique, variety, challenge & importantly 'fun.'

**Open Fitness:** Intimidated by the weight room? Need some training advice? This class has a personal trainer to answer your questions.

**Pilates:** A full body exercise that educates, realigns, and balances the body, which builds lean, flexible muscles. Pilates increases coordination and improves body alignment and posture while relieving stress and tension.

**Power Vinyasa:** This class will flow you through powerful asanas designed to invigorate your mind and body. With the use of body weight, flexibility and focus you will gain strength, range of motion and a sense of calm well-being.

**Strong:** Combines Zumba based interval training to improve muscular endurance, tone and definition.

**Sunrise Yoga:** Move into balance! Yoga practice brings strength, flexibility, peace.

**TRX:** Suspension Training body weight exercise develops strength, balance, flexibility and core stability. TRX exercises allow for the use of multiple planes of motion and work multiple muscles and joints simultaneously.

**Yoga:** This is a flow yoga class with modifications for all levels. This will open & warm your muscles.

**Zumba®:** Join the latest fitness craze. If you love to jazz & dance you will love Zumba®. Move to the Latin beat in the high energy fitness class, great for all levels and abilities. Have fun and shake your booty in this dance class.

---

**Wellness Program Personal Trainers** are certified by national organizations including the American Council on Exercise (ACE) and the American College of Sports Medicine (ACSM). Personal Trainers also receive additional training prior to and while they are working.

Our Personal Trainers have a variety of specialties including:

- Sports specific training
- Training novice exercisers
- Weight management
- Strength training
- Cardiovascular training

**Personal Training Options**

All new clients must go through an assessment prior to beginning training.
