Initial Assignment

For our first class session on Tuesday, August 21st, please read pp. 3-37 (up to and including the Notes and Questions after the Meyer v. Nebraska in the Kaufman & Kaufman text). We will certainly cover the introductory material in Section I (Chapters 1-2 at pp. 3-29), but may also get into the Meyer case and notes at pp. 33-37.

In processing the reading, and focusing primarily on primary and secondary (K-12) education, please think about and be prepared to discuss in class the hallmarks of an excellent school and, more generally, an excellent system of education.
