

CURRICULUM VITAE
CAROLINA MANRIQUE HOYOS

e: cmanrique@uidaho.edu

EDUCATION

- 2011-2015 **Ph.D. in Architecture**
College of Architecture - Texas A&M University
Certificate in Historic Preservation.
Dissertation topic: Resilience in Architecture (heritage)
- 2009-2010 **Advanced Masters in Structural Analysis of Monuments and
Historical Constructions (Dual degree)**
Department of Civil Engineering – Universidade do Minho (Portugal);
Universitat Politecnica de Catalunya (Spain)
Integrated Project - Quintela Tower (Portugal): Inspection and diagnosis,
structural analysis, safety evaluation, and proposal of interventions.
Thesis: Limit Analysis: Collection of Examples of Applications
- 2000-2002 **Master in Building Technology (Structures); diploma (2005)**
Universitat Politecnica de Catalunya (Spain)
Thesis: Design and Calculation for the roof of a Church
- 1993-1999 **Bachelor in Architecture**
College of Architecture – Universidad del Valle (Colombia)
Certificate in Seismic Constructions.

FELLOWSHIPS, SCHOLARSHIPS & AWARDS

- 2014 APT Quebec City Conference Student Scholarship, Association for
2014 Preservation Technology International, USD 1,200
TOMFRA/Raiford L. Stripling Memorial Scholarship for Advancement of
Preservation; Texas A&M, USD 1,000
- 2014 Catherine L. Gauldin Endowed Scholarship; Texas A&M, USD 2,600
- 2013 Catherine L. Gauldin Endowed Scholarship; Texas A&M, USD 2,600
- 2013 Glasscock Graduate Research Fellowship; Texas A&M, USD 2,000
- 2012 Edward J. Romieniec Graduate Fellowship; Texas A&M, USD 8,000
- 2011 Department of Architecture Scholarship; Texas A&M, USD 1,000
- 2009 Erasmus Mundus Scholarship; European Commission, EUR 21,000

MEMBERSHIPS AND HONORS

- 2015-Present Building Technology Educators' Society (BTES)
- 2012-Present Member Tau Sigma Delta – National Honor Society of Architecture and
the Allied Arts

TEACHING EXPERIENCE

- 2015-present **University of Idaho**, College of Art and Architecture
Architecture Program, Assistant Professor
ARCH-353 Architectural Design III (Fall)
ARCH-331 Structural Systems I (Fall)
- 2014-2015 **Texas A&M University**, College of Architecture
Department of Architecture, Professor of Record (instructor)
ARCH-481 Seminar: Contemporary Topics in Architecture (Spring)
ENDS-105 Design Foundations I (Fall)
ENDS-106 Design Foundations II (Summer)
- 2014 **Texas A&M University**, College of Architecture
Study Abroad Program (Italy) – Graduate Teaching Assistant
ARCH-485 Internship Documentation (Spring)
CARC 301 Field Studies in Design Innovation (Spring)
- 2013 **Texas A&M University**, College of Architecture
Department of Architecture – Graduate Teaching Assistant
ARCH-485 Internship Documentation (Fall)
ARCH-446 Introduction to Historic Preservation (Fall)
ENDS-260 Comparative Theory Built and Virtual Environments (Spring)
- 2012 **Texas A&M University**, College of Architecture
Department of Architecture – Graduate Teaching Assistant
ARCH-446 Introduction to Historic Preservation (Fall)
ARCH-649 Advanced History of Building Technology (Fall)
ENDS-260 Comparative Theory Built and Virtual Environments (Spring)
- 2007-2009 **Universidad del Valle (Colombia)**, College of Architecture
Department of Building Technology, Full-time Professor (Tenure)
502044M Construction Management (Spring; Fall)
502001M Introduction to Technology (Spring; Fall)
501062M Design Studio I (Spring; Fall)
- 2005-2007 **Universidad del Valle (Colombia)**, College of Architecture
Department of Building Technology, Full-time Professor (non-tenure)
502044M Construction Management (Spring; Fall)
502001M Introduction to Technology (Spring; Fall)
502002M Principles of Technology (Spring 2007)
501062M Design Studio I (since 2006 Fall; Spring)
502066M Integrated Building Technology Studio (Fall 2005)

RESEARCH TOPICS

- 2011-2015 **Resilience in Architecture**
College of Architecture; Texas A&M
Case studies (Alcatraz Island-US) used for insights to develop the notion of resilience and to show how this emerging concept can be applied.
- 2012 **Preservation Plan for the Recreational Yard in Alcatraz Island**
Center for Heritage Conservation (CHC); Texas A&M

- 2011 **Modernization vs. heritage identity (San Miguel de Allende, Mexico)**
Center for Heritage Conservation (CHC); Texas A&M
Collaboration in technology survey of the historic district.
- 2008-2009 **Dry Wall Construction (Diploma course)**
Department of Building Technology; Universidad del Valle (Colombia)
Public-private partnership coordination for design of a diploma course.

PUBLICATIONS

Manrique, C., Jamal, T., & Warden, R. (book chapter accepted for publication). “Tourism and Conservation: A Cultural Resilience Bridge?” *Tourism Research Paradigms*. Tourism Social Science Series. Mallorca: Emerald.

CONFERENCE PRESENTATIONS

Manrique, C., Warden, R. Jamal, T. “Resilience in Heritage Conservation and Heritage Tourism” (abstract refereed). Presented at the Association for Preservation Technology International (APT) as one of the selected *Student Scholars 2014*. Quebec City, Canada, October 27-29 2014.

Manrique, C., Warden, R. “Technology, Preservation Education and Managing Change in the Alamo” (abstract refereed). Presented at the Preservation Education Conference – National Council for Preservation Education (NCPE). National Center for Preservation Technology and Training (NCPTT), Natchitoches, Louisiana, United States, July 15-16 2014.

Manrique, C., Jamal, T., & Warden, R. “Heritage Conservation and Tourism: An integrated approach to resilience in Alcatraz Island” (abstract refereed). Presented at the Heritage & Healthy Societies Conference University of Massachusetts Center for Heritage & Society, Amherst, Massachusetts, United States, May 14-16 2014.

Manrique-Hoyos, C. “Dark Tourism Issues in the Preservation of Alcatraz Island” (abstract refereed); Presented at the SAH - Society of Architectural Historians 67th Annual Conference - *Graduate Student Lightning Talks*, Austin, Texas, United States, April 9-13 2014.

Manrique, C. Warden, R. “Heritage Architecture”; Presented at the Institute of Architectural Engineering Heritage Conference – Texas A&M University Kingsville, Texas, United States, September 26-27 2013.

POSTER PRESENTATIONS

Manrique, C. Poster: “Resilience in Heritage Conservation and Heritage Tourism”; Presented at the 15th Annual Historic Preservation Annual Symposium, CHC – Center for Heritage Conservation – Texas A&M University, College Station, Texas, United States, March 21-22, 2014.

Manrique, C. Poster: “Dark Tourism Issues in the Preservation of Alcatraz Island”; Presented at the 13th Annual Historic Preservation Annual Symposium, CHC – Center for Heritage Conservation – Texas A&M University, College Station, Texas, United States, February 24-25, 2012.

GUEST LECTURES

Manrique, C. “Alamo & Alcatraz: Dark Tourism Issues in Preservation”. TOMFRA – The Texas Old Missions and Forts Restoration Association. Wichita Falls, Texas (US), April 11 2015.

Manrique, C. “Brunelleschi’s Dome”; ARCH-649 Advanced History of Building Technology – Texas A&M University, College Station, Texas (US), Fall 2012, 2013, 2014.

Manrique, C. “Brunelleschi’s Dome”; CARC 301 Field Studies in Design Innovation – Texas A&M University (Study Abroad); Castiglion Fiorentino, Italy, Spring 2014.

Manrique, C. “Katsura Imperial Villa”; ARCH-250 Survey of World Architectural History II – Texas A&M University, College Station, Texas (US), Fall 2013.

ARTICLE REVIEWS

Manrique, C. Rev. of “The Venice Charter Forward: Using the Venice Charter to Preserve the Recent Past in the United States”. APT Bulletin – The Journal of Preservation Technology. Apr. 2014.

Manrique, C. Rev. of “Far away from sun and beach: Opportunities and challenges for cultural tourism in Córdoba, Spain”. Journal of Heritage Tourism. Feb. 2014.

Manrique, C. Rev. of “Study and characterization of the bricks in a historic bridge in Buga, Valle del Cauca”, J. Galindo, J.A. Paredes and A. M. Muñoz. Magazine from the College of Engineering Universidad de Antioquia, No. 48, June 2009, pp. 130-140. Print.

PROFESSIONAL EXPERIENCE

2011	Fondo Mixto para la Promoción del Deporte; Bogotá, Colombia Construction Supervisor (Housing Sport Facility)
2010-2011	Construclínicas S.A.; Bogotá, Colombia Project Architect (Architectural Design Sport Facility)
2010-2011	GYG Construcciones Ltda.; Bogotá, Colombia Project Architect (Construction Documents Health Care Facility)
2006-2007	EMRU E.I.C.; Cali, Colombia Project Architect (Architectural Design Sport Facilities) Construction Supervisor (Rehabilitation Cultural Center)
2006	Posso Asociados Ltda.; Cali, Colombia Building Surveyor (Pathology studies for the rehabilitation of modern sport facilities 1950’s-1970’s)
2003-2005	Hospital Universitario del Valle E.S.E.; Cali, Colombia Project Architect (Architectural Design Health Care Facility)
2001-2002	Robert Brufau i Associats S.A. (BOMA INPASA); Barcelona, Spain Intern Architect (Design of structures)
2001	Victor Freijser Architectuurproducties; The Hague, Netherlands Intern Architect (Drafting in AutoCAD for the book ‘Wonen in Den Haag’ ISBN: 9789077032114)
