

## Things to Know About Hourly Paid Parking Areas on the U of I Campus

- ◆ There are 59 individual metered spaces, 189 AMP Parking App + Pay Station spaces, and 9 AMP only spaces on campus. See the map legend for color-coding. **All designated parking spaces on campus require payment.** Requirements vary on weekends and during academic breaks.
- ◆ Generally, payment is required M-F, 6 a.m.-9 p.m., with no parking 2-6 a.m. Pay-To-Park Lot 90, on 6th Street, is an exception, with payment required 24 hours/day, 7 days/week.
- ◆ Payment by card or coin is accepted by (1) traditional parking meters at individual spaces and (2) pay stations (devices located at a single location in each pay station-designated lot).
- ◆ The AMP mobile parking app is a hands-free way to make payment from your phone- including adding funds to an AMP-enabled space if you're delayed. AMP payment is available in all pay station lots and is the only option in Pay-To-Park Lot 68, at the SE corner of Rayburn & 6th St.
