

APR: How-to Series

Financial Health and Resources Template

1. Select the "Financial Health and Resources" template from your workspace, or from the drop-down when you click on "+ Plan Item"

2. Title your Financial Health and Resources template in the first field; this will be the section heading in your APR report. Then, follow the prompts to complete the template sections.

Financial Health and Resources *

Academic Initiatives: Financial Health and Resources

Financial Health

Summarize the financial health of the program, including any strengths or concerns.
