

# VANDALSTAR

## FUTURE STUDENT FLYER

### SIX MAIN FEATURES

#### DASHBOARD

Your dashboard displays your current class schedule, notifications, your personal connections, services directly for you, and red flags and kudos.

#### UPCOMING

This feature shows future meetings, that have been set up.

#### MY SUCCESS NETWORK

Schedule appointments and find your instructors, advisors, and services here! Additionally, the search bar allows you to quickly navigate the service directory, which includes over 45 support services on campus.

#### MESSAGES

This feature displays messages or scheduled appointments sent and received through VandalStar.

#### COURSES

Find your classes, your midterm and final grades, and contact info for your course instructors here.

#### RAISE YOUR HAND

Use this button to request help from course instructors and request tutoring or academic coaching support, too.

#### TIP

Make sure your time zone is correct in VandalStar, on your digital device, and in your university email account.

If you don't have the correct time zone selected, you may miss important meetings or email notifications.
